

## Jerry Elly

OS: Windows 10  
Browser: Chrome 63  
Email: jelly@donuts.com

I took Introduction to Web Development two semesters ago, and that's how I got into web designs. I used to use the MS-Notepad for HTML coding, so actually I don't have much experience with Dreamweaver. To create some original web elements, I am also taking Graphic Design class now. Hopefully I could make some very professional-looking websites.

Web Design Projects:

CSS Design:

One of the best things that I have learned from this class is Cascading Style Sheet. I love CSS because it enables me to style texts and to control the layout of multiple
